THERE'S MORE TO
CORNWALL COLLEGE

A+ Prestigious Universities Programme

Offering specialist advice and guidance on how to gain a place on the most prestigious courses at the country's top universities: medicine, veterinary science, dentistry, law, journalism, teaching, sport at Loughborough University, engineering at Imperial College London, mathematics at the University of Warwick and of course all subjects at Oxford and Cambridge colleges.

You will benefit from lectures on what is required for these universities, talks from visiting academics, day visits to Russell Group universities and residential visits to Oxford and Cambridge colleges.

A+ Academy

If you have a passion for your subject and are able to take on extra activity in addition to your A-level studies, the A+ Academy is for you.

You will be able to:

- Get extra tuition for university admissions tests
- Join specialist research project and subject based clubs and the debating society
- Represent the College in national competitions

A+ Achievement Programme

Additional workshops for when you need support outside of timetabled classes, with subject specific sessions and study skills development; aimed at helping you achieve top A-level grades.

A+ Employment

Giving you the opportunity and support to secure valuable work internships to develop your employability skills in preparation for graduate entry employment.
