Processes and Documentation

General Principles

- i. The College is committed to providing accurate advice and details about accommodation in the private sector for those enquiring/entering at university level.
- ii. The College reserves the right to refuse to add properties/landlords to the University Accommodation list and remove properties/landlords from the University Accommodation list at the discretion of the HE Accommodation Development Officer.
- iii. Ensuring all advertising publications, website and digital media are providing up to date information on all aspects of university level accommodation within the private sector.

Enquiries

- i. To respond to all enquiries in a timely manner
- ii. To guide enquirers, applicants, students, parents and guardians to the appropriate accommodation information (appx. 2 & 7)
- iii. To guide accommodation providers in accordance with our requirements for HE private sector student accommodation (Appx. 3)

Systems

- i. The University Accommodation list is updated by the HE Accommodation Development Officer on a weekly basis and uploaded to the Cornwall College website by the marketing team.

Processing of enquiries

- i. Enquiries are received via telephone, email, Facebook and referral from Cornwall College staff.
- ii. Upon receipt of an enquiry an email is sent to the enquirer with a link to the University Accommodation list on the Cornwall College website and the offer of further assistance from the HE Accommodation Development Officer.
- iii. Enquirers/student details are added to a spreadsheet.

Processing of enquiries from accommodation providers

- i. Enquiries from accommodation providers are received by telephone, email and referral from Cornwall College staff.
- ii. Upon receipt of an enquiry an email is sent to the accommodation provider introducing/confirming the role of the HE Accommodation Development Officer and arranging an informal visit where possible to view the property and meet the accommodation provider. Bookings are made on the HE Accommodation Development Officer's Outlook calendar which is shared with the HE Admissions

Manager. The address and contact number of the accommodation provider are recorded within this calendar.

- iii. HE Accommodation Development Officer advises HE Admissions Manager of visits by text (entering and leaving the property) as per Risk Assessment (Appx. 8).
- iv. The HE Accommodation Development Officer visits the property and meets the accommodation provider and completes an informal checklist (Appx. 5 & 6).
- v. The HE Accommodation Development Officer gives verbal confirmation on suitability/unsuitability of the property. If suitable details are then added to the University Accommodation list and confirmed by email to the accommodation provider when this has taken effect. In the case of unsuitability the provider will be notified accordingly.
- vi. If permission is received from the accommodation provider the property is advertised on Facebook – Cornwall College - HE Accommodation and closed Facebook pages for individual sites where these exist. The following disclaimer is displayed with the Facebook postings and HE Accommodation list.
