CUSTOMER INFORMATION

Koko salons are training centres where students are being assessed towards their qualification in a fully supervised capacity. We would therefore appreciate your support, patience and understanding when you are receiving any service.

Please note: Children under 10 are not permitted in the salons and limited treatments will be available for children under 16.

As training salons all services at Koko are offered at greatly discounted prices compared to high street salons. To ensure that all students are treated equally, it is not possible to book appointments with individual students.

Some services are only available on certain days of the week and at certain times of the year. Please speak to our receptionist who will be able to advise you.

All patch tests must be renewed each time, 48 hours prior to treatment.

The Cornwall College Group is not responsible for personal belongings; they should be kept with clients at all times.

At Koko salons we only use professional products. These are available to purchase in retail sizes, so you can continue your professionally recommended hair care and beauty regime at home.

Please allow enough time before your appointment for parking and consultation.
